

BUSINESS 2257 EQUIVALENTS

If you are registered at Western or one of the Affiliated University Colleges (Brescia, Huron, King's), it is expected that you complete Business 2257 rather than the equivalent courses at another university.

If courses from your university are not on this listing, please forward the following information to hba@ivey.ca by the end of January if you wish to be considered for admission the following September:

- Detailed course syllabus for each course including the name and edition of the textbooks
- Daily class assignment schedule including topics, questions, exercises and problems assigned from the textbook
- During the course evaluation process, you may be asked to submit the current textbooks if Ivey's Pre-Business Department does not have access to the information for courses completed at universities in Canada.
- Textbooks for each course completed at universities outside of Canada are required to complete the course evaluation and can be mailed to:
